THE CONNECTION POINT WORKS.

*Over 90% of our exhibitors
return each year!*

YOU'LL FIND PROSPECTS AND DECISION-MAKERS REPRESENTING THESE FIELDS:

- Field equipment, accessories
- Fertilizer, soil nutrients
- Crop protection products
- Seed/traits
- Animal health/feed
- Farmstead/grain structures
- Livestock/dairy equipment
- Ag credit and insurance
- And more!

WE BRING THE FOOT TRAFFIC TO YOU!

Activities scheduled throughout the conference draw attendees to the Connection Point and your booth...

RECEPTIONS

After Best of NAMA, we'll host a Celebration Reception. Another evening reception on Thursday gives attendees the chance to unwind and meet exhibitors.

LUNCH & REFRESHMENT BREAKS

Another great way to get in some low-pressure networking.

DRAWINGS

There will be drawings at the end of each session and a grand prize drawing during the Thursday evening reception. Other promotions will also get prospects to your booth.

VIRTUAL TRADE SHOW

Let attendees learn more about you before the show. Just send a brief description of your company, a logo and a link to your website to laurenc@nama.org ... We'll handle the rest!
