

May Cornhusker NAMA Event — A deeper dive in to the world of LinkedIn

Are you utilizing your LinkedIn to its fullest potential?

Join us and take a deeper dive in to the world of LinkedIn featuring our guest speaker, **Janae Kaska**, who is the definition of a social media enthusiast. She fulfills her passions by working at LinkedIn where she supports members via Twitter and Facebook. Outside of assisting members via social media, she also helps them build & manage their online presence through free online interactive trainings each week. She loves creating 'Aha!' moments as she teaches LinkedIn members how they themselves can connect with economic opportunity.

Arrive early and enjoy the amazingly delicious experience of [Heavenly Waffles](#) performed by Owner/Creator and Master Chef, Bob Haney.
