

# JOIN MoKAN

FOR A TOUR OF TOM'S TOWN

**TUE 9-27 | 4-7 P.M.**

1701 MAIN ST. (JUST SOUTH OF NARA & ANTON'S) KANSAS CITY, MO 64108

Curious to tour a KC distillery that produces vodka, gin, AND whiskey? Wanna know why there is a goat pictured above the bar? Ready for a happy hour to sample locally made spirits?

If the answer is "yes" to any of the questions above, then join the MoKan NAMA chapter for its 2016 Fall Kickoff event at Tom's Town – Kansas City's first legal distillery since after Prohibition. Learn more about how Tom's Town got its inspiration from the country's most polarizing and corrupt political boss, Tom Pendergast. "King Tom's" irreverence for federal statutes in favor of bare-knuckled local capitalism allowed KC to emerge as the Paris of the Plains. Plan to raise your glass with your NAMA colleagues to celebrate post-Prohibition style with Pendergast's favorite slogan:

*"The people are thirsty!"*

*\*We will tour the distillery in groups of 20 during this time period, alternating between happy hour/networking and the tour.*

*Please park along the street or in the honor-box lot at Anton's (\$5). Attendees also are encouraged to utilize the (free!) Kansas City Streetcar as Tom's Town is right on the Main St. route.*

**Cost to NAMA members: \$25**
